---

We hereby amend our current report on Form 8-K filed with the SEC on February 26, 2006, which announced the sale of certain assets of our Telecom Decisioning Services (TDS) business to Vesta Corporation. The purpose of this amendment is to file the pro forma financial information required by Item 9.01.

**Item 9.01. Financial Statements and Exhibits.**

**(b) Pro forma financial information**

The unaudited pro forma condensed balance sheet as of December 31, 2006 gives effect to the transaction and adjustments as if they had occurred at December 31, 2006.

The unaudited pro forma condensed consolidated statements of operations are based on our historical financial statements and give effect to the disposition of the assets of our TDS business. The pro forma condensed consolidated statements of operations eliminate the operations of the business sold in order to reflect our operations as if the assets of the TDS business had been sold effective January 1, 2006 for the year ended December 31, 2006. The unaudited pro forma condensed consolidated statements of operations for the year ended December 31, 2006 reflect the pro forma adjustments necessary to eliminate the results of the TDS business, including revenues, cost of revenues and other costs and expenses related to the TDS business.

The unaudited pro forma condensed statements of operations should be read in conjunction with our consolidated financial statements and the accompanying notes thereto included in our annual report on Form 10-K for the year ended December 31, 2006.

The unaudited pro forma consolidated financial statements are presented for illustrative purposes only and are not necessarily indicative of the operating results or financial position that would have actually occurred if the disposition had been consummated as of the dates indicated, nor are they necessarily indicative of future operating results or financial position.
