## Edgar Filing: METATEC INC - Form 8-K

on December 22, 2003. MTI was the successful bidder for the Company's assets in the sale process supervised by the Bankruptcy Court. A copy of the asset purchase agreement between the Company and MTI was filed as Exhibit 99.2 to the Company's Form 8-K filed with the Securities and Exchange Commission on November 14, 2003. Since the completion of the sale, MTI has changed its name to Inoveris, LLC.

The purchase price for the Company's assets, which consisted primarily of manufacturing equipment and machinery, office furniture and equipment, other tangible assets, inventories, customer purchase orders and certain other contract rights, and certain intangible assets and intellectual property rights, was composed of several components, including (i) a credit against existing secured debt of approximately \$9.35 million (ComVest II was the Company's largest secured creditor and assigned a portion of its secured claim to MTI), (ii) a \$1.0 million cash payment to the bankruptcy estate, and (iii) the assumption of approximately \$1.3 million of the Company's liabilities. MTI also assumed certain executory contracts and leases of the Company. In addition, MTI assumed the Company's \$1.75 million post-petition financing loan.

### ITEM 3. BANKRUPTCY OR RECEIVERSHIP

As the next step in the Company's Chapter 11 reorganization, the Company intends to prepare and file a plan of reorganization with the Bankruptcy Court concerning the complete liquidation of the Company. It is anticipated that this plan of liquidation will be filed with the Bankruptcy Court prior to June 30, 2004.

As previously disclosed, it is not anticipated that the shareholders of the Company will realize any cash or other value for their common shares of the Company in connection with the liquidation of the Company.
